CREW INFORMATION

Running/walking: There is a great 5k loop that follows the coastal road around the East end of the island taking in some great sites.

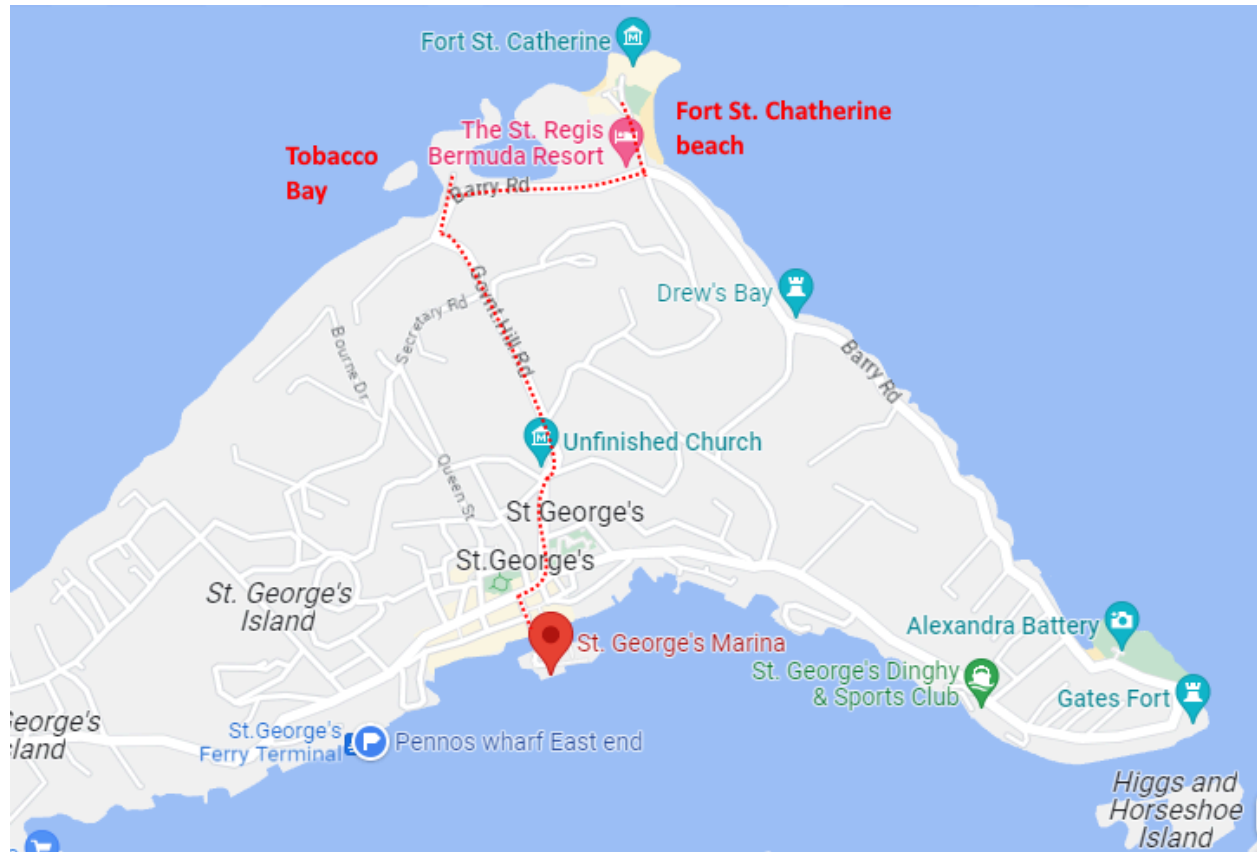

Mountain Biking: One of the courses that is part of the local mountain bike series is very close. See map below.

Beach:

Beaches within walking distance of St. George's Marina

Kiteboarding:

There are several beaches around the East End that could work for Kiteboarding, check out Coopers island , Forts St. Catherines beach and others, but one of the more popular spots depending on the wind direction would be Shelly Bay Beach which is accessible by bus, taxi or moped, about 15 mins away.

Eating and Drinking:

There are several spots in St. George's all walking distance

- **White Horse:** In the town square , pub food.
- **Wahoos:** on water St. seafood and other stuff, people hang out outside here it can go late on weekends.
- **The wharf:** End of Water St. , nice spot to sit outside on the water, pub food, good sushi and good pizza.
- **Munchies:** across from Customs good fish sandwiches.
- **Temptations:** good breakfast and lunch spot, a short walk to the end of Penno's Wharf.
- **Frequency Cafe:** Good coffee and lunch too. Located at Somers Wharf.
- **Mama Angie's:** Breakfast and lunch , greasy spoon.

Hamilton:

If you plan to go to Hamilton "**The Big City**" there are plenty of restaurants, bars etc... You have several options.

- Bus up , taxi back. (buses stop running at 11pm) Bus takes about 45min - 1 hour, taxi about 35 mins and is \$30-\$50 dollars depending on time a day, most taxis hold 6 people and charge is metered , not per person.
- Taxi both ways
- Moped . please be careful , there are many accidents
- There are four wheeled electric cars to rent that hold 2 , check out info below.
